ABOUT ME

Highly-motivated computer science student at SIES Graduate School of Technology with desire to take on new challenges. Strong worth ethic, organized, passionate and precise in work.

INTERESTS

- **Travelling**
- **Learning new things**
- **Learning languages**

Hobby

- **Dancing** is fun and a social activity for me that teaches collaboration skills.
- **Sketching** and **Painting** makes my mind calm. I depict my emotions and imaginations through sketch and paintings, it really refreshes my mind.
- **Cooking** really helps me to cook delicious food and satisfy my cravings.
